

What is your Ringsize

Start: Before measuring your ring size, be sure this guide is printed in **A4** and scaled to 100%. You can check the accuracy of your print by positioning your Mastercard on the line below. If the card lines up, you're all set.

Place your Mastercard here

Option 1 Measure your ring size with your own ring

Use your own ring to measure your Ring2Pay size. Place your ring on the circles below and see if the inside matches the white part. Your ring is the right size when you only have a white circle in your ring. If you are unsure whether your size fits between 2 measures, advise to order the larger size.

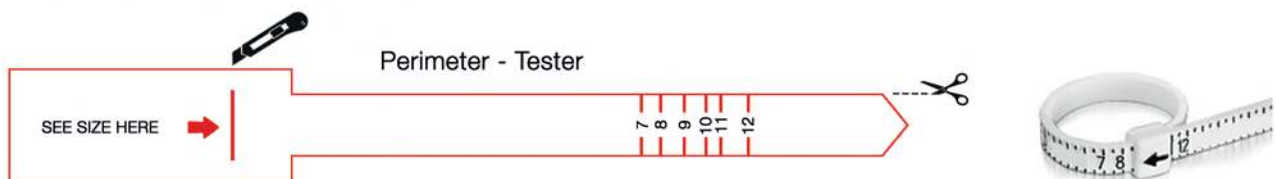

example how to do

# 7	# 8	# 9	# 10	# 11	# 12
Ø 17,2 mm	Ø 18,0 mm	Ø 19,0 mm	Ø 19,9 mm	Ø 20,5 mm	Ø 22,0 mm
54,0 mm Perimeter	56 mm Perimeter	59,7 mm Perimeter	62,5 mm Perimeter	64,4 mm Perimeter	69,1 mm Perimeter
UK: N US: 6,8 (6-) EU/Fr: 14 JP: 13,6	UK: P 1/4 US: 7,6 (7-) EU/Fr: 16 JP: 15,5	UK: S US: 9,1 EU/Fr: 20 JP: 19,3	UK: U 1/2 US: 10,3 (10) EU/Fr: 23 JP: 22,2	UK: V US: 10,7 (10-) EU/Fr: 24 JP: 23,1	UK: Z 1/2 US: 12,6 (12-) EU/Fr: 29 JP: 27,9

Option 2 Measure with the Ring2Pay Ruler

After you have cut the ruler, carefully cut the line make a crack. Wrap the ruler around your finger to the base and pull it tapered tapered end through the slot. To ensure that the ring fits comfortably, we recommend that you also measure your knuckle. We encourage you to easily create a size to choose which goes off your finger.

Option 3 visit your jeweler

You can also always visit a jeweler to have the size measured take the Ring sizer document to the jeweler
